

Waterbury Guest House

Sample Breakfast menu

We only use quality produce from the best available to us.
Our Sausages are from award winning butchers in Dunkeld, our
Eggs come from our very own chickens and our bacon comes from a local farm.

Our smoked salmon comes from Dunkeld Smokehouse; Honey comes from
Bee Cottage in Inver. Our Coffee is Fairtrade from Brodies in
Edinburgh and we use sliced Organic bread. All other produce is
carefully selected and only the best makes it into The Waterbury's
Kitchen.

Fruit juices, fresh fruit, cereals & homemade scones are available from the Buffet.
Tea (large selection of herbal also), Coffee and Toast are served to your table.
